

Real Pro Auto Service Now Offers Advanced Driver Assistance Systems (ADAS) Service

Real Pro Auto Service now provides diagnostics, calibration, and repairs for Advanced Driver Assistance Systems to ensure safety and performance.

GRAND RAPIDS, MI, UNITED STATES, August 11, 2025 /EINPresswire.com/ -- [Real Pro Auto Service](https://www.einpresswire.com/Real-Pro-Auto-Service), serving Grand Rapids, Wyoming, and Saranac, Michigan, has expanded its capabilities to include servicing and calibrating [Advanced Driver Assistance Systems](https://www.einpresswire.com/Real-Pro-Auto-Service) (ADAS). This enhancement enables the shop to meet the needs of modern vehicle owners whose safety systems depend on precise calibration and diagnostics.

Keeping Up with Evolving Vehicle Technology

“

Offering ADAS service ensures we can keep up with modern vehicle technology while keeping our customers safe on the road.”

John Stewart, Owner

ADAS features, such as lane departure warnings, adaptive cruise control, collision avoidance, and blind spot detection, rely on sophisticated sensors and cameras. Even minor repairs or windshield replacements can require system recalibration to ensure proper function. Real Pro Auto Service now offers diagnostics, calibration, and repairs for these systems, meeting manufacturer specifications and safety standards.

Message from the Owner

"Offering ADAS service ensures we can keep up with modern vehicle technology while keeping our customers safe on the road." – John Stewart, Owner

Enhancing Safety for Drivers
