

# Pioneer Physicians Network Launches 'Pioneer Cares' in Partnership with Applied Health Analytics

*Innovative Program Combines Data-Driven Insights with Personalized Care to Improve Health Outcomes and Reduce Costs for Employers and Employees.*

UNIONTOWN, OH, UNITED STATES, August 11, 2025 /EINPresswire.com/ -- [Pioneer Physicians Network](#), Inc. is excited to announce the launch of Pioneer Cares, a new advanced primary care program created in partnership with [Applied Health Analytics](#) to provide employers and their employees with high-quality, cost-effective healthcare.

Built on a prevention-focused, comprehensive care management model, Pioneer Cares combines data-driven insights with the trusted patient relationships Pioneer Physicians Network has built over decades. The result is the right care at the right time, reducing unnecessary healthcare spending and improving health outcomes.

"Pioneer Cares represents our commitment to delivering exceptional care that benefits patients, providers, employers, and the broader community," said Dr. Gary Pinta, M.D., Chief Financial Officer, Pioneer Physicians Network. "By combining actionable data with the personal touch of our physicians, we can improve health, strengthen workforces, and control costs."

Pioneer Cares focuses on:

Mike Mitchell & Robert Chamberlain from Applied Health Analytics with Gary Pinta MD & Jason Shawbell from Pioneer Physicians Network

Pioneer Cares represents our commitment to delivering exceptional care that benefits patients, providers, employers, and the broader community.”

*Gary Pinta, MD*

- Our patients – providing convenient, high-quality, personalized care.
- Our physicians – offering tools, data, and support to practice at the highest standard.
- Our employees – fostering a workplace culture that values health, well-being, and growth.
- Our community and employers – improving employee health and reducing healthcare costs.

Through this initiative, Pioneer Physicians Network

advances its mission to deliver innovative healthcare solutions that strengthen the community, improve health outcomes, and promote value and efficiency in care delivery.
