

Ray's Auto Body Expands Ogden Facility, Doubling Shop Space

Ray's Auto Body in Ogden, UT, expands its facility to double the available workspace, improving efficiency and service capabilities.

OGDEN, UT, UNITED STATES, August 11, 2025 /EINPresswire.com/ -- Ray's Auto Body, a fixture in the Ogden community for over 50 years, has announced the expansion of its facility, effectively doubling the shop's square footage. The new space will allow the business to accommodate more vehicles, streamline repair operations, and continue delivering high-quality collision repair services to customers throughout the region.

“

This expansion allows us to better serve our customers by increasing capacity and improving workflow for every repair project.”

Gary Ellis

The expansion enhances the shop's ability to provide comprehensive [auto body repair](#) services, from major collision work and frame straightening to refinishing and paint services. With additional workspace, technicians can work more efficiently, reducing turnaround times while maintaining the quality and attention to detail that customers have come to expect.

The project reflects Ray's Auto Body's ongoing commitment to investing in infrastructure, technology, and skilled labor to meet the growing needs of the Ogden community. The larger facility also improves workflow, enabling the shop to handle complex repairs without compromising customer service.

A Word from the Owner/Director

“This expansion allows us to better serve our customers by increasing capacity and improving workflow for every repair project.”
