A customer testimonial highlights Royal Weed's attentive service. As Jeanice shared:

"I love this place! I go to a lot of dispos in the area and none of them have the most friendly, knowledgeable staff! I feel like family when I go there. I got a delivery yesterday for the first time and I'm very happy with the driver. He was prompt and very friendly. He offered free doggie treats with CBD and my picky doggies like them. I will be buying them for my dogs. Great marketing! Oh and the flower is tasty and I got some great deals."

Her feedback reflects both product satisfaction and a customer-centered culture that emphasizes welcoming interaction and community engagement.
