

PLUSnxt Earns Its aiR for Review Solution Competency from Relativity

The PLUS review team applies its deep expertise by leveraging Relativity aiR for Review to deliver smarter, more efficient outcomes for their clients.

LOS ANGELES, CA, UNITED STATES, August 12, 2025 /EINPresswire.com/ -- [PLUSnxt](#) (PLUS), a leading provider of electronic discovery services and solutions, today announced it has earned the Relativity [aiR for Review](#) Solution Competency from global legal technology company Relativity. This recognition highlights PLUS' demonstrated proficiency and proven customer success in leveraging aiR for Review to support document review.

PLUSnxt receives its aiR for Review Solution Competency from Relativity

PLUS has showcased deep expertise in applying RelativityOne best practices to streamline workflows and deliver efficient, auditable, and consistent results with verifiable context. With years of experience and well-defined processes, PLUS' experts continue to set the standard in the industry. By utilizing aiR for Review in RelativityOne, PLUS enables legal teams to achieve faster results, reduce costs, and maximize efficiency for their clients.

“

We're incredibly proud to have earned the aiR for Review Solution Competency from Relativity. It reflects our team's dedication to staying at the forefront of innovation.”

Bobby Coppola, Chief Strategy Officer

“We're incredibly proud to have earned the aiR for Review Solution Competency from Relativity. It reflects our team's dedication to staying at the forefront of innovation,” said Bobby Coppola, Chief Strategy Officer at PLUSnxt. “As

generative AI reshapes the eDiscovery landscape, we've fully embraced its potential, continually refining our approach to deliver smarter, faster, and more efficient outcomes for our clients.”

Partners with the aiR for Review Solution Competency demonstrate their expertise through a

well-defined service offering centered on the aiR for Review platform. Their teams include professionals who have earned the GenAI Pro Certification, showcasing advanced proficiency in RelativityOne's generative AI technology. These partners further validate their capabilities through detailed case studies that highlight measurable, proven outcomes, and through client testimonials that speak to the value and impact of their services and technology.

For PLUS, the aiR for Review solution delivers a streamlined, efficient, and defensible review process. This approach enhances the client experience by producing superior results while significantly reducing time and cost compared to traditional review methods.
