AI CERTs® Partners with NIIT Ltd. to Scale Global AI Skilling

NEW YORK, NY, UNITED STATES, August 12, 2025 /EINPresswire.com/ -- AI CERTs®, a leading global provider of vendor-aligned, role-focused certifications, has announced a strategic partnership with NIIT Ltd., a leading Skills & Talent development corporation. Through its deep-skilling division, StackRoute-NIIT is now an Authorized Training Partner of AI CERTs®, enabling scalable and customizable AI training across the world.

With this alliance, AI CERTs® is poised to reach over one lakh learners, ranging from leading universities to progressive enterprises, through StackRoute's strong academic and corporate skilling pipelines. For AI CERTs®, it also unlocks deeper market penetration, enterprise access, and localized delivery by leveraging NIIT's extensive ecosystem.

For NIIT, this collaboration brings a portfolio of globally recognized, vendor-aligned AI certifications into its offerings, enhancing its appeal to both tech-savvy learners and enterprise clients. AI CERTs®' ready-to-deploy, role-focused programs allow NIIT to accelerate go-to-market efforts while delivering future-ready skills on a scale.

Speaking on the partnership, AI CERTs® CEO Russell Sarder said, "Our collaboration with NIIT Ltd., a name synonymous with trust and transformation in education, is a strategic leap forward in our mission to democratize AI capabilities at scale. With NIIT's robust ecosystem and our industry-aligned certifications, we are not just expanding access—we're enabling enterprises and learners to become truly future-ready."

Dr. Yogesh Kumar Bhatt, Executive Vice President, NIIT-StackRoute, said, "At StackRoute, our focus is to equip professionals with deep tech skills who can lead enterprise digital transformation. With 92% of companies planning to increase their AI investments over the next three years, the need of the hour is clear – to have formally trained and certified AI talent globally. This partnership will help StackRoute strenghten its established capability in deep skilling tech talent by offering globally recognized, role-focused AI certifications for enterprises. The certifications will create globally competitive AI talent from India, helping India lead the global tech talent race in an increasingly AI-driven business landscape."

This collaboration between AI CERTs® and NIIT is more than a partnership; it's a shared commitment to building an agile, AI-literate workforce for the digital economy. Together, AI CERTs® and NIIT are setting new benchmarks in tech-enabled skilling, paving the way for a

future-ready global workforce equipped to lead in the age of AI. More details about the [AI certification programs](), click here: https://www.aicerts.ai/

About AI CERTs®
AI CERTs® is a globally recognized certification body specializing in role-based credentials in artificial intelligence and blockchain technologies. Aligned with ISO 17024:2012 standards, its programs set a global benchmark for quality and credibility, empowering professionals with practical, job-ready skills through hands-on, real-world application.
Serving a broad spectrum of roles, from developers and data analysts to business leaders and frontline teams, AI CERTs® bridges the global tech skills gap with our ever-expanding portfolio. With 50 established role-based certifications, currently in the market, and 50 new certifications in development, the organization remains firmly positioned at the forefront of emerging technology education.
