PlanToTravel App Launches to Make International [Trip Planning](#) Less Cumbersome

New iOS app helps travelers pack smarter, stay prepared, and double check all is ready to [travel abroad](#).

Today marks the official launch of Plan to Travel Abroad, a new iOS travel app (known as PlanToTravel in the Apple app store) designed to help US international travelers plan and prepare for their trips with confidence. Combining a customizable packing checklist, country-specific emergency

contacts, a unique "Travel Readiness Score, Trip Notes and a Budget Tracker section," the app ensures that no important detail is overlooked before departure.

"Travel should be exciting, not overwhelming in the planning," said Brian Wall, creator of Plan to Travel Abroad. "This app removes the guesswork so travelers can focus on quick progress & then the journey."

Key Features

- Customizable Travel Checklists - Preloaded essentials plus the ability to add personal items.
- Travel Readiness Score - A gamified percentage tracker that shows how prepared you are.
- Emergency Numbers by Country - Access to local police, ambulance, and fire contacts.
- Travel Resources - Quick links to book flights, hotels, ferries, trains, buses, tours and insurance.
