

Polar Escapes Launches New Polar Voyages In 2026 & 2027 - From The North Pole to Antarctica

Polar Escapes launches a new season of exciting polar cruises, allowing travellers to explore the furthest reaches of the polar regions.

NEW YORK, NY, UNITED STATES, August 12, 2025 /EINPresswire.com/ -- [Polar Escapes](#), the leaders in polar expedition cruises, today have officially unveiled the 2026 and 2027 season in the Arctic and Antarctica with the largest range of expedition cruises. From new icebreaker cruises to explore the Geographic North Pole and Antarctica's Weddell Sea, to small-ship voyages to explore Svalbard and Greenland, Polar Escapes has launched the most comprehensive season yet.

A Polar Escapes Adventure On Icebreaker Le Commandant Charcot

'Over the last year, we have seen a positive trend in travellers looking for unique, off-the-beaten-track polar destinations. Whilst places like the Antarctic Peninsula remain popular, we have seen a rise in interest in longer expeditions to the Northwest Passage, the Geographic North Pole and East Antarctica. We are excited to share our 2026 & 2027 season, which has more choices than ever.' Announced CEO Andy Marsh.
