

Carl Parsons is Proud to Present his book 'Locust Hill'

A Heartfelt Tribute to Farm Life, Love, and the Power of Community

KODAK, TN, UNITED STATES, August 12, 2025 /EINPresswire.com/ -- Author [Carl Parsons](#) is proud to announce the release of his latest novel, [Locust Hill: A Romantic Family Saga](#), published by Wordwooze Publishing. The book tells the compelling story of an independent, small-acreage farm family in the Mid-Ohio Valley of West Virginia, exploring the theme of community, love, and resilience in a rural setting.

Locust Hill follows the life of Cassandra, the wife and narrator, as she discovers a different world just outside her West Virginia hometown. In a quaint rural village where people depend on one another for survival, Cassandra learns that her husband, Jim Russell, is the embodiment of this spirit of mutual aid. The novel highlights the bonds that tie the characters to their land, their community, and to each other, making it a heartfelt tribute to farmers and farm life.

"I wrote Locust Hill as a tribute to farmers and the hard work they put into cultivating both their land and relationships," said Carl Parsons. "It's about how a good life grows from devotion to nature and to one another. The story reflects the spirit of rural America and the values that continue to sustain small communities."
