## A Full Suite of Services Now Closer to Home

Tax Accountant - Saranac Brewster

At the heart of Saranac's Brewster expansion is the firm's comprehensive suite of services, designed to deliver clarity and strategic advantage to individuals and businesses alike.

**Tax Planning & Preparation:** From individual tax returns to complex business, partnership, estate, and multistate filings, Saranac ensures diligent compliance and maximized deductions.

**Accounting, Bookkeeping & Payroll:** Saranac empowers businesses with seamless cloud-enabled bookkeeping, customized payroll processing, and accurate financial reporting—all tailored to industry needs.

**Cash Flow & Budgeting Support:** Clients benefit from insightful cash-flow projections, budget planning, and strategic forecasting to optimize liquidity and strengthen lender relationships.

**Business Advisory Services:** Saranac extends guidance in entity formation, business valuation, loan preparation, succession planning, and nonprofit accounting, helping enterprises navigate growth and regulation with confidence.

This local presence makes it easier for clients to access expert help without having to rely solely on remote communication—particularly important for those who value detailed, face-to-face collaboration.

### Strengthening Local Expertise in a Complex Tax Environment

With evolving tax legislation and expanding IRS enforcement initiatives, local businesses and individuals face increasing complexity and risk. By opening its Brewster office, Saranac offers a timely solution—bringing in-person guidance directly to the community.

Here's how Saranac's local presence strengthens clients' confidence and clarity in navigating the shifting tax landscape:

**Surging State and Local Tax Burdens:** Businesses now face growing state and local tax responsibilities. In Fiscal Year 2023, companies remitted approximately [\\$1.096 trillion in combined state and local taxes](#)—making up 44.7% of all such tax revenue nationwide.

**IRS Enforcement and Audit Complexity is Evolving:** While overall audit rates remain low—often under 0.5% for most individuals—the IRS is increasingly using AI, analytics, and targeted strategies to identify high-risk returns and obscure discrepancies.

**Spiking Compliance Costs Hit Small Companies Hard:** Despite focusing on multinational firms, a Tax Foundation survey found that large companies spent an average of \$25.6 million on income tax compliance (federal, foreign, and state/local combined) in 2022–2023.

### Community Trust and Client Engagement

Saranac office is more than a service center—it's a commitment to the local community and

business ecosystem. The secret, first-time client offer, revealed individually, underscores their personal approach and desire to build lasting, trust-based client relationships from the start.

By balancing discretion with warmth, the firm encourages new clients to connect without pressure—building toward long-term collaboration. This creates an inviting atmosphere for individuals or small business owners who may be hesitant to seek professional help. The goal is to transform what can feel like an intimidating process into an empowering experience grounded in partnership.
