TN Nursery Celebrates Over 65 Years of Supplying Quality Garden Plants Nationwide

ALTAMONT, TN, UNITED STATES, August 12, 2025 /EINPresswire.com/ -- For over six decades, TN Nursery has been a trusted name among America's gardeners. Since its founding in 1957, this fourth-generation family-run nursery has grown from a modest tree farm to a leading online source for high-quality native plants, shrubs, perennials, and ferns—serving customers across the country.

With a legacy built on sustainable farming, fast-shipping standards, and a commitment to customer satisfaction, TN Nursery continues to supply everything from vibrant pollinator gardens to stately native trees. Its plants have enriched landscapes as far-reaching as Arlington National Cemetery and even the Discovery Channel's historic sites.

"We've always believed great gardens begin with quality plants—and honest care," said Tammy Sons, CEO of TN Nursery. "Celebrating over 65 years isn't just about longevity—it's about the relationships, the gardens, and the natural heritage we've helped grow."
