NEW YORK, NY, UNITED STATES, August 13, 2025 /EINPresswire.com/ -- Inc., the leading media brand and playbook for the entrepreneurs and business leaders

shaping our future, today announced that [Victra](#) is No. 4,652 on the annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list provides a data-driven snapshot of the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Past honorees include companies such as Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, and Patagonia.

"Making the Inc. 5000 list for the 11th time is a reflection of our team's grit, drive, and relentless focus on delivering results," said Rich Balot, founder and CEO of Victra. "We've grown by staying true to who we are—customer-focused, fiercely competitive, and always striving to improve, both personally and professionally, for the guests who walk through our doors every day."

This year's Inc. 5000 honorees have demonstrated exceptional growth while navigating economic uncertainty, inflationary pressure, and a fluctuating labor market. Among the top 500 companies on the list, the median three-year revenue growth rate reached 1,507 percent, and those companies provided more than 52,805 jobs to the U.S. economy over the past three years.

Methodology

Companies on the 2025 Inc. 5000 are ranked according to percentage revenue growth from 2021 to 2024. To qualify, companies must have been founded and generating revenue by March 31, 2021. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2024. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2021 is \$100,000; the minimum for 2024 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
