A groundbreaking AI-driven financial strategy book for entrepreneurs to build wealth, cut taxes, and protect assets—available today on Amazon.

BAINBRIDGE ISLAND, WA, UNITED STATES, August 19, 2025 /EINPresswire.com/ -- R. Kenner

“

This book gives entrepreneurs a powerful, AI-driven system to save on taxes, grow wealth, and protect assets—strategies I’ve used to help 2,000+ clients reach financial freedom.”

R. Kenner French

French, tax strategist, AI automation expert, and leader of [VastSolutionsGroup.com](https://vast-solutions.com), announces the official launch of his groundbreaking new book, "[ModernMillions.ai: Make Millions, Save Millions, Protect Millions](#)" — available in paperback and Kindle formats on Amazon.com starting today.

This bold and practical financial strategy book is specifically designed for entrepreneurs, real estate investors, high-income professionals, and small business owners who want to harness the power of artificial intelligence to:

Build long-term wealth

Legally reduce taxes

Protect their assets

With economic uncertainty rising and AI transforming the business landscape, ModernMillions.ai arrives at a critical moment—offering a clear roadmap for success in today’s fast-changing world.

ModernMillions.ai Offers:

AI-enhanced tax strategies to reduce tax liability

Tools to automate wealth-building systems

Asset protection and estate planning strategies

A proprietary 5-step framework called The ModernMillions.ai Method™

Access to a private online resource hub including video training, summaries, and downloads

What the Author Says:

“This isn’t just another finance book,” says French. “It’s a tactical blueprint to help you make smarter decisions using AI, reduce taxes legally, and protect your financial future—whether you’re making \$100K or \$10 million.”
