

Opkalla Announces 2025 Tech Summit to 'Level Up' IT Leaders

Bringing Together Industry Experts, Technology Innovators, and IT Professionals to Explore Cutting-edge Strategies in AI, Cybersecurity, and Cloud Solutions.

CHARLOTTE, NC, UNITED STATES, August 12, 2025 /EINPresswire.com/ -- Opkalla, a leading technology advisory firm, is excited to announce their fourth-annual [Opkalla Tech Summit](#), set to take place on October 9, 2025.

This premier event will gather industry leaders, technology innovators, and IT professionals to discuss the latest technology trends, solutions, and strategies shaping organizations.

Opkalla Tech Summit 2025

“

The Tech Summit isn't just another conference - it's where IT leaders come to sharpen their skills, discover game-changing ideas, and build the connections that accelerate innovation.”

Steven Johnson, Director of Partnerships at Opkalla

The summit, themed "Level Up Your IT", will offer participants unique insights into key topics including artificial intelligence, cybersecurity, cloud infrastructure solutions, collaboration, customer experience, and so much more. Attendees will have opportunities to engage in interactive sessions, workshops, and network with technology thought-leaders and peers.

Key highlights of the 2025 Tech Summit include:

- Expert-led AI keynote presentation by Matt Brittan, including free copy of book Generation AI
- Interactive panel discussions addressing real-world IT challenges and solutions
- Networking sessions designed to foster collaboration among industry professionals
- Leadership workshop providing actionable insights for driving engagement within IT teams
- Fun theme centered around classic arcade and video games, with the main conference hall being turned into an arcade

"The Tech Summit isn't just another conference - it's where IT leaders come to sharpen their

skills, discover game-changing ideas, and build the connections that accelerate innovation,” Steven Johnson, Director of Partnerships at Opkalla, said. “We pull out all the stops to make it an unforgettable experience, from world-class speakers to hands-on sessions. Our attendees tell us it’s the most valuable event they attend all year.”

The Opkalla Tech Summit 2025 will be hosted at The Revelry North End, in Charlotte, NC, on October 9th, 2025. Interested participants can register now at:
