

Explore Consciousness with Russell Targ: Live Interactive YouTube Session on New Thinking Allowed, Sunday, August 24

Bring your questions about remote viewing, intuition, and consciousness with a legendary parapsychologist on August 24

ALBUQUERQUE, NM, UNITED STATES, August 20, 2025 /EINPresswire.com/ -- New Thinking Allowed, the premier platform for exploring the frontiers of consciousness and the mind, proudly announces an exclusive [livestream event](#) featuring the legendary parapsychologist and laser physicist Russell Targ. Renowned worldwide for his pioneering research in remote viewing and consciousness studies, Targ will be joining New Thinking Allowed live on YouTube for an interactive session where he will field questions from viewers.

About Russell Targ

Russell Targ is a physicist and one of the founding researchers behind the development of remote viewing—an extraordinary psychic phenomenon that enables individuals to perceive locations and events beyond normal sensory range. As a former senior scientist at Lockheed Martin and the Stanford Research Institute (SRI), Targ played a central role in pioneering research funded by U.S. government intelligence agencies during the Cold War era. This groundbreaking research, involving psychic spying, was known as Grill Flame and Stargate. Today, tens of thousands of people practice the art and science of remote viewing.

His groundbreaking work helped bridge the gap between science and psychic phenomena, contributing to a new paradigm in the understanding of human consciousness. Targ is also the
