coalition leaders, while commanding large, complex US and NATO organizations. Currently, he works in Europe and the MENA Regions working with senior political and business leaders to develop business projects and investment opportunities while promoting American Business and US interests across these regions. He is a Board Member or Senior Advisor to several US and International companies in security, infrastructure, finance and investment, and emerging technology sectors.

"In today's increasingly hostile world, where attacks on

high-profile leaders are rising, Black Rhino Companies' protection services are absolutely essential. I joined the Board of Directors because I believe in the strength of its experienced

leadership team—people who are dedicated to delivering decisive, uncompromising security when it matters most." Says, Lt. General Barbero about joining Black Rhino.

At Black Rhino, Gen. Barbero joins a high-powered board guiding global operations, strategic risk response, and enterprise security for Fortune 500s, international dignitaries, and high-net worth individuals. His firsthand knowledge of complex, high-risk environments enhances Black Rhino's ability to deliver discreet, proactive protection across six continents.

"Lt. Gen. Barbero's involvement reflects our unwavering commitment to protecting what matters most with the highest caliber of global expertise. His military precision, intelligence acumen, and strategic foresight will shape how we respond to today's dynamic threat landscape." Frank Roberson, Founder and CEO of Black Rhino Companies, stated.

Black Rhino Companies's growing board includes former members of Congress, communications specialists from the White House, infrastructure experts, and business executives, all committed to advancing a modern vision of integrated security and intelligence.

#### About Black Rhino Group
