forward

Kuvings Australia has been making juicing easier and healthier for Australians from all walks of life. This year marks a significant milestone—15 years in business, over 100,000 cold press juicers sold, and the trust of more than 3000 cafes nationwide who rely on Kuvings' commercial-grade juicers and blenders to power their menus.

Owned and operated by husband-and-wife team Andrew and Marol Kelly, Kuvings Australia has grown from a small family-run venture into a national leader in health and wellness appliances. Headquartered in Croydon, Sydney, with a dedicated Melbourne-based ecommerce and digital team, the company maintains a strong focus on personalised customer service, education, and premium product support.

"From day one, our mission has been to upgrade people's health game by making juicing simple, enjoyable, and sustainable," says Andrew Kelly. "We're proud to have earned the trust of over 200 individual distributors, major retailers, cafes, and thousands of happy customers."

Australian juicing expert Chef Gary Dowse

Kuvings juicers are available in Myer, [Harvey Norman](#), Costco, and Kitchen Warehouse, also featured on TVSN TV Shopping Network, as well as direct via the official Kuvings website. Known for its high-quality appliances, excellent warranties, and premium service, the brand has become a household name among health-conscious consumers, foodies, and hospitality professionals alike.

#### □ Setting the Gold Standard in Customer Experience

Kuvings Australia goes far beyond simply selling appliances. Every juicer purchase comes with free access to the online Master Juice Chef Course, taught by in-house expert [Gary Dowse](#), a qualified Juice Chef and wellness educator. Customers also receive comprehensive support with unboxing, assembly, cleaning, recipe creation, and long-term care.

With hundreds of juicing and blending recipes available online and via YouTube, and beautifully designed Juice Chef recipe books, customers are empowered to confidently create everything from nut milks and smoothies to sorbets, sauces, and functional juices for specific health goals.

#### □ A Trusted Brand Backed by Real Reviews

Kuvings Australia currently boasts more than 3,800 verified reviews with an impressive 4.8-star rating on Trustpilot—a testament to the company’s dedication to quality and after-sales support.

“We’ve built our reputation by listening to our customers, providing real education, and standing behind every product we sell,” says Marol Kelly. “Our small, passionate team handles every aspect—from warehouse and service to customer support and digital content—ensuring a

consistent and reliable experience.”

#### □ Serving the Hospitality Industry at Scale

Today, over 3000 Australian cafes use Kuvings appliances as part of their daily operations. The commercial range is trusted for its durability, efficiency, and sleek design—giving cafés, clubs, restaurants and juice bars a reliable and powerful way to serve premium juices and smoothies.

#### □ Looking Ahead

As the wellness movement continues to grow, Kuvings Australia remains committed to innovation, education, and sustainability. The company is exploring new product launches, customer education initiatives, and partnerships with retailers and hospitality venues to bring the benefits of juicing to more Australians.
