

# Harlowe x Renowned Photographer Corbin Gurkin Introduce 'The Emerson' Edition

*The Ultimate Lighting Kit for Wedding Photographers*

NEW YORK, NY, UNITED STATES, August 13, 2025 /EINPresswire.com/ --

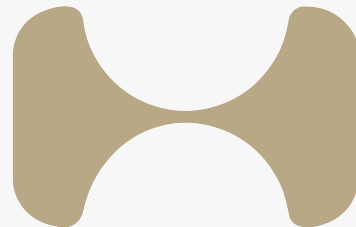

[Harlowe](#), the premium lighting brand trusted by visual storytellers worldwide, is proud to announce the launch of The [Emerson](#) Edition, a complete lighting kit created in collaboration with award-winning wedding photographer [Corbin Gurkin](#). Purpose-built for professionals who shoot on location, The Emerson Edition delivers powerful performance in a compact, travel-ready system designed to meet the demands of the modern wedding day.

Crafted with insight from Gurkin's decades-long career capturing iconic weddings in destinations across the globe, this all-in-one kit balances elegance, functionality, and durability. Whether shooting under bright sunlight, unpredictable coastal weather, or dimly lit venues, The Emerson Edition is engineered to perform reliably and beautifully.

The kit includes two Avant Max-X 80W Creator Kits, a Mini II 20W Standard Kit, a Micro 8 Spectra Master Kit with 36,000 adjustable tones, two 250cm carbon fiber light stands, and an adjustable lens for the Avant Max-X, all housed within a weatherproof, shock-resistant carry-on roller case designed for effortless travel and protection.

Light illuminates the moments we hold close and want to pass down. Harlowe shares that ethos, and The Emerson Edition honors both the art of storytelling and the people we tell those stories for."

*Corbin Gurkin*

"When I set out to create this kit with Harlowe," shares Gurkin, "I knew I wanted to name it after my son, Emerson, a reminder of what truly matters. My work is about timeless heirlooms and for me, light illuminates those moments we hold close and want to pass down. Harlowe shares that ethos, and The Emerson Edition honors both the art of storytelling and the people we tell those stories for."

Every element of The Emerson Edition is designed for resilience, from waterproof zippers and durable wheels to

the long-lasting battery life and high-performance output of each light. The roller case meets carry-on size regulations for most airlines, making it ideal for destination weddings and travel shoots.

The Emerson Edition is available for \$3,799 and includes a two-year warranty, extendable to three years with product registration. When purchased separately, components total \$4,852, offering a savings of \$1,053. The Emerson Carry-On Roller Case is also available individually for \$799.
