

Alliance Service Pros Expands into Restoration Services with Their New Company, A Plus Home Restoration

New Jersey plumbing and heating leader now offers start-to-finish water, fire, & storm damage recovery through newly launched business, A Plus Home Restoration.

BURLINGTON, NJ, UNITED STATES, August 13, 2025 /EINPresswire.com/ -- Alliance Service Pros – Plumbing and Heating, a trusted name in plumbing and heating across Central and Southern New Jersey, has announced the launch of [A Plus Home Restoration](#), a full-service restoration company offering water, fire, flood, and storm damage repair. The new division allows the company to provide customers with complete start-to-finish solutions, from fixing the source of the problem to restoring the property to its original condition.

The decision to start A Plus Home Restoration was driven by a recurring challenge the team encountered while serving clients. After responding to emergencies like burst pipes, severe leaks, or water heater failures, homeowners were often left scrambling to find a separate contractor to address the resulting damages. By bringing restoration services in-house, Alliance Service Pros can now eliminate that extra step, making sure homeowners receive consistent communication, faster service, and the same high-quality workmanship throughout the entire process.

“Our customers were telling us the same thing: the hardest part of a water emergency wasn’t just fixing the plumbing, it was figuring out what to do about the damage afterward,” said Jacob Hupfl, owner of Alliance Service Pros. “A Plus Home Restoration lets us take care of everything

from the first phone call to the final cleanup so that families can get back to normal faster.”

A Plus Home Restoration operates with the same standards that have made Alliance Service Pros a trusted choice for homeowners across New Jersey. The restoration team is available 24/7 for [emergency restoration services](#), fully licensed and insured, and equipped with industry-leading tools to handle everything from water extraction to soot removal, full structural repairs, and home improvement. You can view their entire [restoration service offerings](#) on their website. The company serves residential and commercial clients throughout New Jersey, including Hamilton Township, Trenton, Cherry Hill, Princeton, and surrounding areas. Their office is located at 434 Independence Dr., Burlington, NJ 08016.
