bold, clean upgrade. Sweet Heat – Limited Edition has officially launched in the U.S., offering a small-batch condiment made with just three ingredients: red chili, apple cider vinegar, and a smooth blend of multifloral honey with MGO100+ Manuka honey. Crafted in New Zealand with no added sugar, no preservatives, and no fillers, Sweet Heat stands out in the fast-growing hot honey market. It's gluten-free, paleo-friendly, and packed with flavor that hits the sweet-heat balance just right.

## What Makes It Different:

- Only 3 Ingredients: Red chili, apple cider vinegar, and Multifloral honey with MGO 100+ Mānuka honey
- Naturally gluten-free, paleo-friendly, and 100% real
- No added sugar, no preservatives, no artificial flavors
- Crafted in small batches in New Zealand

The natural floral notes of New Zealand honey soften the chili's fire, while the vinegar adds a bright, clean finish—making this drizzle as versatile as it is delicious. “We created Sweet Heat to be more than a trend. It's a pantry staple that brings bold flavor without compromise.” — Holly Zachan, Global Brand Manager

## Versatile + Craveable Pairings:

Use it over fried chicken, pepperoni pizza, dumplings, or sweet potato fries. Drizzle it on vanilla ice cream or popcorn. Mix it into salad dressings, cocktails, or glazes. Recipes like Smashed Chicken Tacos and Sticky BBQ Ribs are available on the brand's site.

Sweet Heat is now available in the U.S. exclusively on [Amazon](#) and the [brand's D2C website](#).
