The resort accommodations are set in both the Resort Tower and Beach Tower. The Resort Tower offers spacious rooms and Junior Suites that are perfect for families, refreshed with warm sand and cool ocean colors, and well-appointed in-room amenities including a mini fridge and seating area. All rooms have convenient access to the resort’s main pool, the newly modernized Baha Grille and the al fresco restaurant Latitudes. The Beach Tower boasts refreshed, condo-style suites that have been previously enhanced with modernized wood floors, décor and design that blend warm hues of sand-inspired beiges and subtle touches of ocean-inspired blues. Each suite has fully

equipped kitchens, easy access to the outdoor pool adjacent to the tower and the newly refreshed poolside Sandpiper bar and restaurant, and direct access to the beach. The Beach Tower suites offer a residence-like experience perfect for families, multi-generational travel, and social trips like girls’ weekend getaways.

Adding to the array of amenities, the resort has debuted The Hutch, a coastal café serving breakfast and lunch, and Locals Lanes, the only duckpin bowling alley and arcade on the island serving elevated bar food and drink favorites. Both concepts were curated by Rocco Mangel, seasoned restaurateur and hospitality entrepreneur, and each bring a unique dining and entertainment experience to the resort and locals of Hutchinson Island.
