

# Adesso Launches EasyTouch 130 and 150 Mechanical Keyboards: Comfort Combined with AI Integration

*EasyTouch 130 and EasyTouch 150 Mechanical Keyboards Redefine Productivity With AI Integration*

WALNUT, CA, UNITED STATES, August 14, 2025 /EINPresswire.com/ -- Adesso today announced the [EasyTouch 130](#) and [EasyTouch 150](#) mechanical keyboards, redefining productivity with ergonomic design and seamless AI integration. Engineered for professionals and everyday users, these keyboards deliver whisper-quiet typing and instant access to Microsoft's Copilot AI via dedicated hotkeys (select models), making them standout choices for efficient, comfortable workflows in any environment.

A key element of both keyboards is the brown mechanical switch which provides a silent and tactile feedback where users feel and hear clearly when a key has been pressed. These switches are also built to last with a lifespan of 50 million keystroke lifecycle.

## EasyTouch 130: Comfortable and Efficient Typing

The EasyTouch 130 is a wired, full-sized keyboard with large-print keys for enhanced visibility. Tactical and Quiet Mechanical Brown Switches offer a 50 million-keystroke lifespan. Dedicated multimedia, internet, and Copilot AI hotkeys (select models) streamline tasks and its 104-key layout includes a numeric keypad.

### Key Features:

- Mechanical brown switches (50M keystrokes)
- Multimedia and Copilot AI hotkeys
