

# Chuji by Atsushi Murakami Wins Bronze in A' Interior Design Awards

*Innovative Retail Space Design  
Recognized for Sustainable Material Use  
and Unique Sensory Experience*

COMO, CO, ITALY, August 15, 2025 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced Chuji by [Atsushi Murakami](#) as the winner of the Bronze A' Design Award in the Interior Space and Exhibition Design category. This prestigious accolade highlights the exceptional creativity and innovation demonstrated in the design of Chuji, a retail space located in Tokyo, Japan.

The Bronze A' Interior Space, Retail and Exhibition Design Award holds significant relevance for the interior design industry and its stakeholders.

By recognizing designs that showcase ingenuity, functionality, and alignment with current trends, the award sets a benchmark for excellence in the field. Chuji's recognition underscores its potential to inspire and influence future retail space designs, offering practical benefits to users and the industry alike.

Chuji stands out for its ingenious use of readily available materials, which allowed for cost-effective construction without compromising on originality and aesthetics. The design incorporates used tea leaves, dried and mixed into the plastering materials, resulting in a unique finish that engages the senses of sight, touch, and smell. The curved seating area posed a challenge, but Atsushi Murakami cleverly designed a single-legged table that appears to float, creating a mysterious and captivating space.

The Bronze A' Design Award for Chuji serves as a testament to Atsushi Murakami's dedication to
