and CEO of Aqore*

Founded in 2019 by industry veterans, Aqore was built from the ground up by leaders with 20+ years of staffing and product experience. The company's success is also a tribute to the vision of its co-founders, Sandeep Acharya and Samar Basnet. That background shaped a practical approach: put clients first and design software that removes work instead of adding it. This focus drove steady migrations from legacy platforms and consistent growth in recurring revenue and customer retention.

“We are incredibly proud to be named to the Inc. 5000 list,” said Sandeep Acharya, Co-founder & CEO of Aqore. “This

achievement reflects the hard work and dedication of our entire team and the trust our clients place in us and our software. We don't just provide technology, we earn partners by listening, delivering results that drive measurable ROI, and standing with clients when it counts.”

"I'm proud to say this achievement comes from our continuous focus on our customers and on innovating with technology, including AI," said Samar Basnet, Co-founder & CSA of Aqore.

Customers consistently highlight Aqore's exceptional support as a key differentiator. The company attributes its sustained growth to a commitment to innovation and customer-centric solutions. With the recent addition of powerful [new AI features](#), Aqore is poised to deliver even greater value to its clients and is already anticipating a strong and best-ever quarter.
