

NEW BOOK 'WHISPER IN THE LIGHT' SETS HIGHWATER MARK IN CHRISTIAN FICTION

A bright spot in Christian historical fiction is connecting nationally with readers in the form of the new novel, Whisper in the Light.

NASHVILLE, TN, UNITED STATES, August 18, 2025

/EINPresswire.com/ -- Poised to make the transition from beach bags to backpacks, a bright spot in Christian historical fiction is connecting nationally with readers in the form of the new novel, *Whisper in the [Light](#)*, the first novel in a projected series by Christian author Jeffrey A. Haseltine. (Xulon Press)

Set amid the intrigue and turmoil of World War II, the book follows the dangerous clandestine mission of John Hoffman, a German intelligence Officer charged to carry Adolf Hitler's covert plans for directing Germany's Wehrmacht Panzer generals subsequent invasion of France.

Filled with heart pounding action, Hoffman, is mercilessly hunted by his enemies, is injured in a fiery car crash and as "fate" would have it, seeks refuge in the home of a Belgian farmer. Under the author's careful crafting, it is soon obvious that the "fate" that has intervened in the life of John Hoffman is God.

“

“Through this book and the series to follow, I want people to continue to know that God truly speaks—often to the most unlikely individuals.”

Jeffrey A. Haseltine

What follows sets up *Whisper in the Light* to capture readers as one of the best works of Christian historical/romantic fiction to emerge in recent memory. A hardy 660-page turner in softcover, as one reader noted: “When I turned the last page, I thought, ‘when can I see the movie.’”

Jeff Haseltine and his wife Darla recently did a river cruise through the European setting of his book—a

novel that was fourteen years in the making. He noted, "It was fascinating to see the landscape of my book literally come alive! When I started writing, I was not much of a history buff. I researched by reading historical accounts of World War II. I also did a lot of research of what led up to the extraction of the British Expeditionary Forces and the allies on the line."

What about a sequel? "I've recently began writing the sequel, "The Light Speaks." It picks up shortly after the conclusion of "Whisper in the Light." It follows the same central characters as they navigate the next phase of the German invasion of France. Through the lens of historical fiction, the story continues to explore the quiet but profound truth that God speaks—and how His voice can shape not only individual lives but also the course of history."

The author has an ongoing aspiration for impacting readers through his fiction. "Through this book and the series to follow, I want people to continue to know that God truly speaks—often to the most unlikely individuals—like a German Intelligence Officer in the midst of a war. God has a purpose for each of our lives and desires that we seek Him wholeheartedly."

ABOUT THE AUTHOR:

Jeffrey A. Haseltine is a devoted husband, father of three and proud grandfather of six. He lives in Bemidji, MN with his wife, Darla, in a log house nestled on 40 wooded acres.
