NEW YORK, NY, UNITED STATES, August 18, 2025 /EINPresswire.com/ -- International reggae and dancehall star Mr. Vegas is taking fans back to the heart of his musical journey with the release of his highly anticipated album GHETTO REGGAE, out August 29, 2025. More than just a collection of songs, GHETTO REGGAE is a curated soundtrack for the kind of movement and feeling that's been missing from today's scene: slow whining, waistline movement, and that unmistakable energy. The album masterfully blends rocksteady's soulful tempo, lovers rock with the romantic pull, and dancehall's infectious grit into a body of work that's both nostalgic and fresh.

"This album is my love letter to reggae culture," says Mr. Vegas. "I wanted to bring back the lost art of grooving to reggae and the joy that comes with it. It's about preserving the roots while embracing evolution."

While deeply anchored in reggae tradition, GHETTO REGGAE also stretches beyond genre borders. "Grateful," produced by Nigerian artist Young Alpha, infuses Afro-Caribbean rhythms with reggae's core pulse, while "One Praise" uplifts with gospel-infused harmonies and spiritual

depth. Each track has been intentionally sequenced to tell a cohesive story, moving listeners through themes of love, resilience, faith, and celebration.

The project boasts a stellar lineup of contributors: Kirk Bennett (Kirkledove) and Ed Robinson bring their renowned musicianship to the forefront; gospel singer Jason Edmund adds soul-stirring background vocals; Marc Jouanneaux produced “Land of My Birth” with The Kemist; and Jemai Monteith (Clearsonix Music) delivers expert mastering. To keep the vibes rolling beyond the album release, Heavy Hammer (Italy) will drop a special mixtape version, offering fans a fresh spin on the project.

With GHETTO REGGAE, Mr. Vegas invites listeners not just to hear the music, but to feel it—to sway, to reminisce, and to reconnect with the cultural essence that made reggae a global phenomenon. GHETTO REGGAE will be available on all major streaming platforms on August 29, 2025. Fans can secure their copy now via the presale link above.
