

# The Hendriks Team Reflects REMAX's National #1 Ranking

*Backed by Canada's #1 real estate brand, The Hendriks Team leads Niagara & Hamilton with experience, trust, and results.*

ST. CATHARINES, ONTARIO, CANADA, October 20, 2025 /EINPresswire.com/ -- RE/MAX has once again secured its position as the #1 real estate brand in Canada. According to [REMAX Canada](#), the brand sells a home every 1 minute and 42 seconds nationwide, with more top-producing agents than any other real estate organization in the country. In fact, REMAX agents help clients in more communities, more often, than any other real estate network in Canada, delivering results nearly every minute of the day, every day of the year.

Behind those impressive national numbers stands a network of dedicated professionals — including Niagara's own [Hendriks Team](#), operating as [RE/MAX Hendriks Team Realty](#), continuing to mirror that success in communities across Niagara and Hamilton.

“

We've built our reputation on results, trust, and understanding our local market better than anyone.”

With over 3,000 negotiated offers and more than 100 years of combined team experience, the brokerage has become a trusted fixture in neighbourhoods across both regions.

Local Impact, National Strength:

“When people in Niagara and Hamilton think of real estate, they often think of the RE/MAX sign — and many times, that sign has our name on it,” says Jerry Hendriks, Broker of Record at RE/MAX Hendriks Team Realty. “What truly sets us apart is our ability to pair RE/MAX's global reach and proven systems with deep knowledge of our local neighbourhoods. That combination ensures our clients get both world-class marketing and the personalized service they deserve.”
