Designs that were designed within the last 10 years are eligible for participation.

The A' International Biomaterials, Ecological and Sustainable Materials Designs is a two-phase competition. The first phase of the competition is free to join, Biomaterial Designers, Biomaterial Engineers, Industrial Design Studios, Material Science Specialists, Biomaterial Brands, Biomaterial Manufacturers, Ecological Material Researchers, Sustainable Material Experts, Biochemical Engineers, Biotechnologists, Biomedical Engineers, Biofabrication Specialists, Biopolymer Scientists, Biocomposite Developers, Biomimicry Consultants, Biomaterial Innovation, Consultancy, Research and Development Companies can register at A' Design Awards

to submit a work for the Biomaterial Awards, and get a preliminary score for their entries. Projects that pass the preliminaries can proceed with nomination, however it shall be noted in advance that there is a nominal fee for nominating entries for Biomaterial Awards consideration.

Biomaterial Awards Timeline & Eligibility

Deadline for entries to A' Biomaterials, Ecological and Sustainable Materials Designs is on September 30, 2025. Results of the A' Biomaterials, Ecological and Sustainable Materials Designs will be announced on May 1, 2026. Professional-edition laureates of the A' Biomaterials, Ecological and Sustainable Materials Designs will be granted the highly coveted A' Design Prize which contains a series of PR, marketing and publicity tools to celebrate the status of winning the Biomaterial Awards.

The following are some example projects that could be submitted to A' Biomaterials, Ecological and Sustainable Materials Designs : Polymers, Bioceramics, Bioglasses, Biocomposites, Bioresorbable Materials, Natural Fibers, Bioplastics, Biometals and More. Biomaterial Awards Sub-categories and their descriptions are available at <https://competition.adesignaward.com/category/169Award> for Good Biomaterial Design

The A' Design Prize for A' Biomaterials, Ecological and Sustainable Materials Designs includes: Design Excellence Certificate, Lifetime license to use the A' Biomaterials, Ecological and Sustainable Materials Designs Winner Logo, Yearbook of Best Designs, Exhibitions of Awarded Works in Italy, Exclusive Design Award Trophy, Exclusive Invitation to Take Part in the A' Design Awards' Gala-Night – La Notte Premio A', Translation of Awarded Works into Foreign Languages, Entry to Prime Clubs, as well as inclusion in World Design Rankings, Designer Rankings, Biomaterial Design Classifications and Design Legends platforms.

In addition the laureates of the A' International Biomaterials, Ecological and Sustainable Materials Designs will also get an exclusive interview which will be published at Designer Interviews website as well as included in the Press Kits. Award winners will also get a press release prepared to announce their victory. For the winners of A' Biomaterials, Ecological and Sustainable Materials Designs , a very inclusive press kit will be prepared which contains the exclusive interview with the designer, the press release for award announcement in addition to design images, photographs of the designer, logo of the designer and the client, dozens of high-resolution photos and images for added exposure including a portfolio that contains previews of other designs projects by the designer.

The Press Kits prepared for the winners of the A' International Biomaterials, Ecological and Sustainable Materials Designs will be distributed to thousands of press members who have gained press accreditation from A' Design Awards. Furthermore there are already dozens of press partners who have confirmed in advance to publish a selection of the best projects among award winners. Both the Press Kit preparation and distribution service as well as the A' Design Prize are given free of charge to the Biomaterial Awards laureates as a gift to celebrate their

success of winning the A' Biomaterials, Ecological and Sustainable Materials Designs.
