

Biscayne Gardens Chamber of Commerce Partners with IKJ Services to Launch Foreclosure Relief Program for Homeowners

New Biscayne Gardens Chamber partners with IKJ Services to offer certified loss mitigation and mortgage relief to homeowners at risk of foreclosure.

MIAMI, FL, UNITED STATES, August 18, 2025 /EINPresswire.com/ -- In response to the severe financial strain homeowners are experiencing due to rising interest rates, escalating inflation, and increased costs of goods and services, the New [Biscayne Gardens Chamber of Commerce](#) has announced a new partnership with IKJ Governmental Affairs Services (IKJ Services) to launch an emergency Homeowner Loss Mitigation & Foreclosure Prevention Program.

Foreclosure

Tariffs imposed on foreign nations over the last several months have had a significant ripple effect across multiple domestic sectors, placing pressure on supply chains and driving up the prices of everyday goods. Coupled with historically high interest rates, many homeowners are now unable to keep up with their mortgage payments — placing thousands at risk of foreclosure.
