

GLOBALCELL LLC-FZ Launches Borderless eSIM App - The End of Roaming Charges for Travelers Worldwide

The world's first "One World – One eSIM" platform delivers seamless mobile data in 180+ countries with a single installation

DUBAI, UNITED ARAB EMIRATES,
August 19, 2025 /EINPresswire.com/ --
GLOBALCELL LLC-FZ, specializing in
eSIM technology, announced the
official launch of its mobile app on iOS

and Android, making global connectivity effortless and affordable in more than 180 countries.

Unlike traditional roaming or competitor eSIM apps, GLOBALCELL LLC-FZ introduces a single, universal eSIM that only needs to be installed once. Travelers can then top up and activate local data packages instantly - no SIM swaps, and no roaming surprises.

"GLOBALCELL is redefining global connectivity through innovation. Unlike traditional roaming or fragmented eSIM apps, our universal 'One World – One eSIM' works everywhere with just a single installation. This isn't just a convenience - it's a breakthrough in how mobile data is delivered, ensuring travelers, businesses, and digital nomads have secure, reliable, and affordable access to the internet wherever they go" said Levani Shalolashvili, Marketing Manager of GLOBALCELL GROUP. "With our 'One World – One eSIM' technology, we've eliminated the pain of roaming fees, complex SIM management, and hidden costs - empowering travelers, digital nomads, and global citizens to connect like locals anywhere in the world."

Through the new GLOBALCELL FZ app, users can:

- Access affordable data plans in over 180 countries and regions.
- Install their eSIM instantly with the "Quick Install" feature (no QR code scanning required).
- Manage usage in real time with a live dashboard.
- Top up balances
- Enjoy 24/7 global customer support.

GLOBALCELL LLC-FZ's launch comes alongside an extensive influencer and awareness campaign across the GCC, LATAM, and Southeast Asia regions, underscoring its commitment to becoming

the world's most trusted alternative to roaming charges.

"We're reimagining connectivity beyond borders," added Levani. "From business travelers to digital nomads, GLOBALCELL is designed for anyone who refuses to compromise on staying connected."
