#### About Strickland's Ice Cream:

Strickland's legacy began in 1936 when Bill Strickland opened his first stand in Akron, Ohio.

Bill didn't just open an ice cream shop; he perfected a recipe and even helped engineer a unique ice cream machine to create something truly special: a richer, creamier frozen treat unlike anything else available at the time. His philosophy was simple: use the best ingredients, make it fresh daily, and treat people right. Nearly nine decades later, we proudly continue that tradition with every scoop. Strickland's opened their Costa Mesa location in 2024 with the help from Orange County native Neil Liu, a longtime enthusiast of the brand and ice cream connoisseur.
