

# CoreShift 2025: Acuvate Brings Global Tech Leaders Together to Unlock the Real-World Impact of Data & Agentic AI

*Join Microsoft, Kongsberg Digital, Hanger, Regal Rexnord, and other industry leaders to discover how AI is reshaping modern business.*

EDISON, NJ, UNITED STATES, August 19, 2025 /EINPresswire.com/ -- [Acuvate](#), a global leader in AI-powered enterprise transformation, is proud to announce CoreShift 2025, a premier global virtual summit created to help organizations unlock the full potential of Data, Generative AI, Digital Twin, Large Language Models (LLMs), and Agentic AI.

The banner for CoreShift 2025 features a dark blue background. At the top left, the text 'CORESHIFT 2025' is prominently displayed in white and yellow, with 'AI & DATA TRANSFORMATION SUMMIT' underneath. To the right, a white box contains the date '04 SEPT 2025' and the time '14:00 - 17:45 CET' and '08:00 - 11:45 EDT'. Below this, a yellow 'REGISTER NOW' button is visible. The bottom half of the banner shows a row of headshots of various industry leaders, with logos for Microsoft, Acuvate, Hanger, and others interspersed above them. Below the banner, the text 'From Strategy to Scale: CoreShift 2025 Reveals the Playbook for Enterprise AI Success' is written in a clean, sans-serif font.

Date & Time: September 4, 2025 | 08:00 - 11:45 EDT / 14:00-17:45 CET

“

Markets are shifting at unprecedented speed. CoreShift 2025 empowers leaders to harness Data and AI, cut through uncertainty, and drive real enterprise impact.”

*Johan Krebbers, Chief  
Technology Officer at Acuvate*

Backed by more than 18 years of enterprise innovation, CoreShift 2025 is where bold strategies, future-ready technologies, and actionable insights converge. This is not just another technology event—it’s the definitive playbook for scaling AI responsibly and effectively across the enterprise.

WHY CORESHIFT 2025, WHY NOW?

In the last 18 months, AI has moved from experimental to essential. Enterprises across

industries are under relentless pressure to adapt, innovate, and scale faster than ever before. CoreShift 2025 answers this call, bringing together global thought leaders, executives, and industry pioneers to share proven strategies and measurable outcomes that are already transforming manufacturing, CPG, healthcare, oil & gas, and beyond.

With powerhouse speakers from Microsoft, Kongsberg Digital, Hanger, Regal Rexnord, and Acuvate, CoreShift 2025 goes beyond theory, delivering real-world case studies that highlight the enterprise-grade impact of AI adoption at scale.

Featuring two immersive tracks Industry Solutions and Technology Enablers attendees can delve into sector-specific transformation journeys or explore the technical innovations powering AI-driven solutions.
