Inc., the leading media brand and playbook for the entrepreneurs and business leaders shaping our future, today announced that managed hosting services provider, BigScoots, is No. 4,007 on the annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America, also known as the 2025 inc

5000. The list provides a data-driven snapshot of the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Past honorees include companies such as Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, and Patagonia.

"We're incredibly proud to see BigScoots ranked on the Inc. 5000 list of America's fastest-growing private companies," said Scott Stapley, Co-Founder and CEO of BigScoots. "Earning the 4,007 spot is a true testament to the dedication of our team, the loyalty of our clients, and the strength of our commitment to delivering truly personal, high-performance managed hosting. This year's Inc. 5000 honorees have demonstrated exceptional growth while navigating economic uncertainty, inflationary pressure, and a fluctuating labor market. Among the top 500 companies

on the list, the median three-year revenue growth rate reached 1,552 percent, and those companies have collectively added more than 48,678 jobs to the U.S. economy over the past three years.

They didn’t just weather the storm—they grew through it, and their stories are a powerful reminder that the entrepreneurial spirit is the engine of the U.S. economy.”

Methodology

Companies on the 2025 Inc. 5000 are ranked according to percentage revenue growth from 2021 to 2024. To qualify, companies must have been founded and generating revenue by March 31, 2021. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2024. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2021 is \$100,000; the minimum for 2024 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
