UPPER SANDUSKY, OH, UNITED STATES, August 19, 2025 /EINPresswire.com/ -- Tribute Equine Nutrition, a leading provider of superior equine feeds and supplements, today announced the launch of its new Banana Flavor horse treats, the latest addition to their popular Tribute Wholesome Blends product line. Banana Flavor Wholesome Blends Horse Treats are made with real bananas baked into each morsel and are completely soy free, a staple among all Tribute Wholesome Blends treats.

"We're thrilled to bring this new banana flavor to proud horse owners who want to give their companions a special and wholesome reward," said Bonnie Brannigan, Vice President of Marketing at Kalmbach Feeds. "Unlike treats that use artificial flavors, our Wholesome Blends treats are made with real fruits and vegetables. Horses love the taste of these treats because the flavor comes directly from whole, real bananas in every bite."

The new Banana Flavor Tribute Wholesome Blends Horse Treats are available now via the company's website at <https://tributeequinenutrition.com/products/banana-wholesome-blends-horse-treats> and through participating dealers nationwide.
