OneWell Health Care Achieves SARC Vendorization to Provide Supported Living Services in Santa Clara County

This vendorization milestone allows OneWell to extend its mission of providing person-centered, community-based care to clients who wish to live independently while maintaining meaningful connections with their families, peers, and communities.

Through its SLS program, OneWell will provide:

1. Individualized care planning tailored to each client's unique goals.
2. Assistance with daily living, health, and safety needs.
3. Support with employment, education, and community

5. 24/7 on-call support for safety and peace of mind.

With SARC's approval, OneWell joins the network of trusted service providers dedicated to advancing the Regional Center's mission of supporting independence, inclusion, and self-determination for Californians with developmental disabilities.
