

My Food Service License Launches SafeBites©: A Dynamic Food Safety Blog

Explore SafeBites© by My Food Service License: a free weekly food-safety blog packed with expert how-to guides, checklists, and tips for pros and home cooks.

CHICAGO, IL, UNITED STATES, August 20, 2025 /EINPresswire.com/ -- [My Food Service License](#), an industry leader in accessible, online food safety training and [certification](#), today announces the launch of [SafeBites©](#), a new blog designed to equip professional kitchens and home cooks alike with the latest insights, best practices, and regulatory guidance.

SafeBites© delivers weekly, expert-driven content on critical topics from calibrating your food thermometer and mastering pest control to optimizing staff workflows and safeguarding delivery operations in the digital age.

"SafeBites© represents the next evolution of our commitment to making food safety simple, engaging, and actionable," said Chris Viso, Director of My Food Service License. "By offering free, authoritative guidance alongside our best-in-class food safety training and certification programs, we're empowering culinary professionals and enthusiasts to deliver excellence on every plate.

"Since its founding in 2016, My Food Service License has earned a reputation for exceptional online proctored exams, seamless compatibility, and a robust curriculum that meets and often exceeds local and federal food safety requirements. With thousands of certifications issued nationwide, the company continues to set the standard for reliability, innovation, and learner

satisfaction.

SafeBites© amplifies that legacy by offering:

Insightful how-to articles

Practical checklists and troubleshooting guides for real-world kitchen challenges

Step-by-step breakdowns of emerging regulations and emerging industry technologies

Interactive infographics and resources to support certification prep
