

Bobbie Grice Recognized by Influential Women in 2025

LEBANON, OH, UNITED STATES, August 20, 2025 /EINPresswire.com/ --

Influential Women Honors Bobbie Grice for Transformative Leadership in Education and Community Development. Bobbie Grice is a seasoned Educational Consultant for first- and second-year teachers, based in Lebanon, Ohio, bringing over a decade of expertise in curriculum development and instructional support. With a strong foundation in educational leadership from Miami University, she empowers new educators to excel while fostering dynamic and engaging learning environments. Her work consistently focuses on helping teachers build confidence, refine instructional strategies, and positively impact student success.

Throughout her career, Bobbie has held key leadership roles that reflect her dedication to education and community growth. A former consultant at the Warren County Educational Service Center and the current President of the Little Miami Area Chamber of Commerce, she has championed educator development and student achievement across multiple platforms. Her guidance and mentorship have left a lasting impression on countless teachers and students, shaping both professional growth and academic excellence.

Bobbie attributes much of her success to the mentorship of Dr. Vince Rosner, who encouraged her to pursue leadership opportunities and helped shape her career trajectory. Among her proudest accomplishments are the achievements of her former students and the academic successes of her own children—testaments to the values she holds most dear: education, growth, and mentorship. Her impact on individual learners mirrors her broader contributions to

educational systems and community initiatives.

Her dedication to leadership and public service has been recognized statewide. In 2024, Bobbie Grice was honored as a member of the All-Ohio School Board by the Ohio School Boards Association, a distinction awarded to one board member from each of Ohio's five regions. This recognition underscores her influence on educational governance and advocacy, highlighting her commitment to policies and programs that benefit both teachers and students.

Beyond her consulting work, Bobbie actively serves on several boards and nonprofit organizations, including the Little Miami Local School District Board of Education since 1997, the Warren County Career Center Board of Education since 1998, and the Area Progress Council of Warren County, Inc. Through these roles, she has contributed to workforce readiness, regional economic development, and community advancement. Bobbie Grice continues to combine her expertise in education with a passion for service, leaving a lasting imprint on the teachers she mentors, the students she inspires, and the communities she enriches.
