ANNAPOLIS, MD, UNITED STATES, August 20, 2025 /EINPresswire.com/ -- Great Place To Work®

“

Making this list is a reflection of how deeply we all care. Not just about business, but our people, customers, and communities. Thank you to every team member who shows up with heart and purpose!”

Cara duCellier, President & CEO

and PEOPLE magazine have honored Abile Group, Inc. as one of the [2025 PEOPLE® Companies that Care](#). Earning a spot means that Abile Group has surpassed rigorous benchmarks, establishing itself as one of the best companies to work for in the country.

The PEOPLE Companies that Care list is based on over 1.3 million employee survey responses and data from companies representing the experience of more than 8.4 million employees. Of those surveys, more than 1 million responses came from employees at companies eligible for this year’s list, and these rankings are based on that feedback.

Companies also submit essays that are validated by employee survey data to give a complete picture of the way an organization cares for its employees, its community, and the planet. To be considered for the list, companies must be Great Place To Work Certified™ and have at least 10 U.S. employees.

The Companies that Care list is highly competitive. Survey responses reflect a comprehensive picture of the workplace experience. Honorees were selected based on their ability to care for employees, families, and the communities where they operate.

“Businesses are vital pillars in the communities where they operate,” says Michael C. Bush, CEO of Great Place To Work. “Caring for your people and your community isn’t something you do after you build a successful business; it’s how to make your business successful.”

"Witnessing the innovative spirit with which these companies invest in their employees, communities, and the world is truly invigorating," says Charlotte Triggs, PEOPLE GM and editor-in-chief. "Their commitment reflects our mission, to feature what happens when ordinary people do extraordinary work."

Abile Group has been Great Place To Work® certified for six straight years, and 100% of their employees reported it as a Great Place to Work for the past two years. The company has also spent four years on the Inc. 5000 list, 3 years on the BBJ Fast 50, has earned the Platinum HIREVets Medallion annually since 2020, and is V3 certified by the State of Virginia.
