The Gold Standard of Care

LAKEVILLE, MN, UNITED STATES, August 21, 2025 /EINPresswire.com/ --

[Minnesota Hospice](#) is proud to have joined the Lakeville community at the 2025 Taste of Lakeville last week, a signature summer event that celebrates food, connection, and local spirit.

Known for its exceptional culinary tastings, wine selections, and community gathering, Taste of Lakeville is also a celebration of the people and organizations that make Lakeville special. Minnesota Hospice's participation reflects its ongoing commitment to being present for the community—not just in moments of need, but in moments of celebration.

“

Taste of Lakeville is more than an event—it's a way to be present with the community we proudly serve every day.”

“Taste of Lakeville is more than an event—it's a way to be present with the community we proudly serve every day,” said Ken Haglind, Founding CEO of Minnesota Hospice. “We live here, we work here, and we believe in participating

wherever our community gathers.”

Minnesota Hospice is a [Medicare 5-star rated](#) provider, recognized for its compassionate, patient and family-centered care. The organization was recently named a [2025 Star Tribune Top Workplace](#) and voted Best Hospice in Lakeville for five consecutive years. These honors reflect the dedication of a team that strives to support individuals and families through some of life's most significant moments—with the same commitment they bring to engaging with the community.

“At Minnesota Hospice, we care deeply about the people we serve, and that means being part of the broader life of our community,” Haglind added. “Events like Taste of Lakeville allow us to connect, listen, and be part of the fabric of Lakeville outside of the care setting.”

Taste of Lakeville drew attendees from across the Twin Cities area, offering an evening of tasting

menus, entertainment, and local connection to raise funds for the Lakeville Rotary Club.

By participating, Minnesota Hospice continues to highlight its belief that strong community ties are essential to strong patient and family support.
