“We’ve nearly quadrupled in just over a year, which speaks to both the strength of our model and the dedication of the team we’ve built.”

Jeffrey Nash, Co-CEO of Riser Fitness

Riser Fitness operates 93 Club Pilates studios across the United States, supported by more than 1,100 employees, with another 100 licenses still to develop across both domestic and international markets.

“In July of 2024 we had 27 studios; by the end of this month we’ll be at 100,” said Jeffrey Nash, Co-CEO of Riser Fitness. “We’ve nearly quadrupled in just over a year, which speaks to both the strength of our model and the dedication of the team we’ve built.”

Riser also obtained the exclusive master franchise rights for all of Mexico, where it will launch a flagship location in 2025.

“Mexico is only the beginning,” added Eduardo Lombardi, Co-CEO of Riser Fitness. “We see significant opportunity to bring Club Pilates to additional countries. We are building the foundation now to support a much larger footprint, both domestically and internationally in the
