

# CDS Earns Relativity aiR for Review Solution Competency

*Recognized for expertise in AI-driven document review and innovative eDiscovery solutions*

NEW YORK, NY, UNITED STATES, August 20, 2025 /EINPresswire.com/ --

[Complete Discovery Source](#), Inc. (CDS), a premier global leader in eDiscovery, serving top law firms, corporations, and government agencies for over 20 years, today announced it has earned the [Relativity aiR for Review](#) solution competency from global legal technology company Relativity.

Through this competency, Relativity acknowledges that CDS has demonstrated proven success in leveraging the power of aiR for Review to elevate document review workflows and client outcomes.

“

Achieving the aiR for Review solution competency reinforces our commitment to harnessing advanced AI technologies to improve both speed and accuracy in document review.”

*Daniel Diette, Advanced Analytics & Data Privacy Director at CDS*

Partners with the aiR for Review solution competency illustrate their expertise in applying RelativityOne’s AI-driven review capabilities to optimize workflows, maintain high-quality review standards, and consistently deliver better outcomes for clients. CDS’ journey to achieving this competency involved extensive training, adoption of best practices, and hands-on application of generative AI tools to enhance client experiences. Additionally, CDS’ team of expert reviewers developed proprietary workflows and resources that maximize the efficiency and quality of every review project, further demonstrating CDS’ leadership in AI-driven eDiscovery solutions.

“Achieving the aiR for Review solution competency reinforces our commitment to harnessing advanced AI technologies to improve both speed and accuracy in document review,” said Daniel Diette, Advanced Analytics & Data Privacy Director at CDS. “Our team is dedicated to using
