

# Art, innovation and sustainability: Excel Dryer's triple win

*Prestigious Loop Design Awards spotlight the company's leadership in eco-conscious design, community partnerships and product excellence*

EAST LONGMEADOW, MA, UNITED

STATES, August 21, 2025 /EINPresswire.com/ -- [Excel Dryer, Inc.](https://www.excel-dryer.com/), inventor of the touchless, high-speed XLERATOR® Hand Dryer, has been honored with three prestigious recognitions at the 2025 Loop Design Awards, which celebrate innovation across global design disciplines.

“

We're proud to lead the way in transforming restrooms into spaces that are efficient, beautiful and forward-thinking.”

*William Gagnon, Executive Vice President and COO, Excel Dryer*

The company's sustainable office renovation, designed by Fennick McCredie Architecture, received top honors in the Interior Renovations category for its biophilic design approach and commitment to workplace sustainability.

Excel Dryer also earned a Bathroom and Wellness Design award for its collaboration with Artists For Humanity (AFH), which brought together art and innovation by showcasing original works from nine Boston-based teen artists on custom cover XLERATOR Hand Dryers.

In addition, the D|VERSE Sink System, a collaboration with D|13 Group, earned a citation award in the Bathroom and Wellness Design category. The system features Excel Dryer's XLERATORsync® Hand Dryer with advanced Electrostatic HEPA (eHEPA®) Filtration and redefines the handwashing experience with an elegant, all-in-one unit.

“These awards reflect our ongoing commitment to innovation, sustainability and the power of collaboration,” said William Gagnon, executive vice president and COO of Excel Dryer. “We're proud to lead the way in transforming restrooms into spaces that are efficient, beautiful and forward-thinking.”
