

ModusLink Waigaoqiao Awarded Platinum Status by Responsible Business Alliance

ModusLink China achieves highest score under the Responsible Business Alliance Validated Assessment Program.

SMYRNA, TN, UNITED STATES, August 21, 2025 /EINPresswire.com/ -- [ModusLink](#) Corporation is proud to announce that its facility in [Waigaoqiao](#), China has achieved Platinum Recognition under the Responsible Business Alliance (RBA) Validated Assessment Program (VAP). This is the highest distinction awarded by the RBA, based on a comprehensive third-party audit that evaluates the facility's compliance with the RBA Code of Conduct.

The VAP audit is one of the most rigorous assessments in the industry, covering five critical areas: Labor, Health and Safety, Environmental Impact, Ethics, and Management Systems. The ModusLink Waigaoqiao site received a perfect score of 200, with all Priority, Major, and Minor findings fully closed.

"This Platinum recognition reaffirms ModusLink's ongoing commitment to the highest standards of corporate social responsibility, ethical manufacturing, and safe and fair workplace practices," said Fawaz Khalil, Chief Executive Officer at ModusLink. "We are proud of our team at Waigaoqiao for their dedication and excellence in driving responsible operations at every level. This recognition is a testament to ModusLink's commitment to upholding environmental, social, and governance (ESG) best practices to build an ethical and sustainable supply chain for our clients and partners worldwide."

With this Platinum certification, ModusLink joins a select group of global manufacturers demonstrating leadership in responsible supply chain management.
