## PORSCHE VALUATION SERVICE ADDS 1990S SPORTS CARS TO THE ROSTER

Here is the background on this release. What is considered a "collectible car" may change over time. The rule of thumb is that a vehicle must be at least twenty-five years old to qualify as an official "classic automobile." Porsche sports cars launched in the 1990s recently passed the twenty-five-year mark. Serious collectors may be searching for a [1993 Porsche 911](#) or a 1996 Porsche Turbo Coupe. Owners of a 1990s Porsche can contact a professional Porsche valuation service and discover true value of a classic German car.
