

Mayhew Tools Expands Dominator® Pro Pry Bar Line with New 5-Piece Curved Pry Bar Set with Green Handles

Engineered for Unrivaed Durability and Control with Colored Handles for Maximum Organization and Efficiency

TURNERS FALLS, MA, UNITED STATES, August 21, 2025 /EINPresswire.com/ -- Mayhew Steel Products, Inc. ([Mayhew Tools](#)) is pleased to introduce the latest addition to its top-performing Dominator® pro pry bar line, the new [Dominator® 5 Pc. Curved Pry Bar Set in green](#), part number 61366GN. With various sizes provided in the set, they are built for demanding prying and lifting applications. These pry bars offer the strength, comfort, and reliability that both professionals and DIYers expect from Mayhew Tools. The green handles are part of a variety of colored handles offered by Mayhew that allow users added options for organization and efficiency.

Dominator® 5 Pc. Curved Pry Bar Set

Forged from hardened and tempered alloy steel, the bar's shaft runs from the cutting edge through the handle to deliver unmatched durability and prying power, even in tough working conditions. The handle's capped end reinforces the product's versatility, allowing for striking without causing damage to the handle, while also working as an added shock absorber that reduces hand fatigue during extended use.

The patented two-composite handle features an ergonomic design that ensures superior grip and comfort. Perfect for tasks requiring precision and control, the Dominator® Curved Pry Bars offer notable performance while prioritizing user safety and ease.
