and beyond—serving as a catalyst for strategic partnerships, disruptive innovation, and the exchange of transformative ideas.

Codiant- A YASH Technologies Company, a global leader in AI-powered software development and digital transformation services, is proud to announce its participation in GITEX GLOBAL 2025 at Dubai. Hailed for delivering next-generation solutions in AI strategy, enterprise applications, mobile app development, web solutions, cloud integration, and automation, Codiant aims to be the must-visit booth for startups, enterprises, and

government agencies looking to harness AI for measurable results.

Codiant's AI experts will deliver live demonstrations showing how these solutions work in real business environments. Attendees can:

- See proven implementations already delivering ROI for global clients.
- Explore custom AI development pathways for unique business needs.

Meet us in Dubai at GITEX Global 2025

- Discuss opportunities directly with AI architects and strategists.

We're here to inspire innovation, connect with leaders, and shape the future of AI-enabled business. Unlike generic tech showcases, Codiant is bringing fully-deployed, industry-proven AI products alongside its ability to custom-build solutions for unique business challenges. Whether you are a startup looking to scale faster, an enterprise aiming to automate complex workflows, or a government body seeking smart citizen services, Codiant offers a direct pathway from concept to deployment—with measurable business impact.

Codiant sees GITEX Global 2025 as more than a showcase. It's a platform to forge partnerships, co-create solutions, and unlock new business potential. By combining global expertise with local market insights, Codiant is shaping solutions that resonate across borders.
