

Ensemble Consultancy Ranks No. 850 on the 2025 Inc. 5000 List of America's Fastest-Growing Private Companies

With Three-Year Revenue Growth of 497% Percent, This Marks Ensemble Consultancy's 1st Time on the List

WASHINGTON, DC, UNITED STATES, August 22, 2025 /EINPresswire.com/ -- Inc., the leading media brand and playbook for the entrepreneurs and business leaders shaping our future, announced that Ensemble Consultancy is No. 850 on the annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. Ensemble ranked No. 28 for Government Services, No. 21 in the State of Maryland, and No. 42 in Washington, D.C.

The list provides a data-driven snapshot of the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Past honorees include companies such as Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, and Patagonia.

"Being recognized within the top 20% of fastest growing companies by Inc. 5000 is a testament to our high-performing team and the workforce ecosystem that we began building on day one. We've managed to consistently generate growth above industry average by thinking and executing a bit outside the box," says Michael Contreras, President of Ensemble.

This year's Inc. 5000 honorees have demonstrated exceptional growth while navigating economic uncertainty, inflationary pressure, and a fluctuating labor market. Among the top 500 companies on the list, the median three-year revenue growth rate reached 1,552 percent, and those companies have collectively added more than 48,678 jobs to the U.S. economy over the past three years.

"Making the Inc. 5000 is always a remarkable achievement, but earning a spot this year speaks volumes about a company's tenacity and clarity of vision," says Mike Hofman, editor-in-chief of

Inc. “These businesses have thrived amid rising costs, shifting global dynamics, and constant change. They didn’t just weather the storm—they grew through it, and their stories are a powerful reminder that the entrepreneurial spirit is the engine of the U.S. economy.”
