

Vanguard Title Company Celebrates 20 Years of Excellence in Title & Closing Services

Expanding across Michigan and Florida, Vanguard's expertise in both residential and commercial real estate has a solid foundation and will continue to grow.

AUBURN HILLS, MI, UNITED STATES, September 3, 2025 /EINPresswire.com/ -- Vanguard Title Company (vgtitle.com) proudly celebrates its 20th anniversary, marking two decades of trusted service in the title insurance and settlement industry.

Expanding Across Michigan and Beyond

What began in 2005 as a single office has grown into a thriving multi-location company. Today, Vanguard Title operates across Southeast Michigan, with offices in Ann Arbor, Livonia, Shelby Township, and its headquarters in Auburn Hills. The company has also expanded into Florida.

“

...what truly makes this moment special is the people—our clients, our partners, and especially our team. I've seen firsthand the talent and heart behind every transaction. Our future looks bright...”

Christina Kass

This strategic growth reflects Vanguard's continued commitment to being where their clients need them most—delivering reliable, efficient, and locally informed closing solutions.

A Broader Scope: Residential and Commercial Services
Vanguard's success lies not only in its geographic expansion but also in its ability to evolve with the real estate market. The company has built a strong foundation in residential real estate transactions, from traditional home closings to new construction, while also developing a growing commercial division to support complex

transactions for developers, investors, and lenders.

This diversification allows Vanguard to serve a wide spectrum of clients with customized service
