

Smith Will Exhibit at electronica India, Booth H5.B65

The company will showcase its comprehensive supply chain solutions and commitment to quality

HOUSTON, TX, UNITED STATES, August 28, 2025 /EINPresswire.com/ -- [Smith](#), a leading global distributor of electronic components and semiconductors, today announces its upcoming exhibition at [electronica India](#) from Wednesday, September 17, to Friday, September 19. The event will take place from 9:00 to 18:00 each day at the Bangalore International Exhibition Centre (BIEC) in Bangalore, India. This is the third time Smith has exhibited at electronica India.

Smith Company Logo

electronica India Logo

As the premier South Asian trade fair for semiconductors, systems, applications, and solutions, electronica India gathers industry leaders from around the world to display products, address key target groups, and give a full picture of the semiconductor value chain.

“

Our fully customizable solutions and exceptional quality-assurance capabilities underpin our role as a strategic supply chain partner.”

Nikhil Dahima, General Manager of Smith's Bangalore office

Smith representatives will be at Booth H5.B65 to highlight the company's innovative suite of [supply chain services](#), commitment to quality, and global sustainability efforts. Utilizing its global reach and in-depth market analysis, Smith has more than 40 years of experience sourcing, inspecting, and delivering high-quality parts to customers worldwide.

From proactive obsolescence sourcing to vendor-managed

inventory programs, Smith offers a wide range of service offerings that can be uniquely tailored to fit the specific needs of each customer. The company's systems-based approach to quality excellence ensures the functionality and authenticity of sourced parts, and its progressive sustainability efforts help support its customers' circular-economy goals.

“Our fully customizable solutions and exceptional quality-assurance capabilities underpin our role as a strategic supply chain partner,” said Nikhil Dahima, General Manager of Smith’s Bangalore office. “We are excited to return to electronica India and showcase our localized support on a global scale.”
