time opportunity to experience the newly refreshed La Concha Key West. For those seeking to linger longer, La Concha Key West is also participating in Marriott’s Long-Term Stay Savings, where extended reservations unlock significant savings on stays, making La Concha Key West an ideal home base for an island escape with all the comforts of a full-service resort.

A unique and historic property, developer Carl Aubuchon opened this luxury hotel in 1926 - the first of its kind on Key West. The hotel was considered to be the height of elegance and current convenience, boasting marble floors, private baths, luxurious décor, and sweeping ocean views. From its inception, La Concha captivated the bold and adventurous, the outliers and eccentrics.

A National Historic Landmark in the heart of the vibrant downtown historic district, La Concha Key West has attracted wealthy industrialists and dignitaries such as Harry S. Truman. Many notable guests have stayed at the landmark hotel over the years, including literary legends Ernest Hemingway and Tennessee Williams.

“La Concha has been at the heart of Key West’s story for nearly a century,” said Paul Pruitt, General Manager of La Concha Key West. “These new offers give travelers more reasons to experience the unique spirit of Duval Street, while our recognition as a Historic Hotels finalist reflects our commitment to preserving the hotel’s heritage for generations to come.”

The 2025 Historic Hotels of America Awards of Excellence winners will be announced this November, honoring properties across the country that exemplify historic preservation, hospitality, and community engagement.
